Carry-On Luggage Carried on Board (Limits for Carrying on Board) - Jet Ferries and Large Passenger Ships

Limits and Charges for Carry-On Luggage on Board

A "carry-on luggage ticket" is needed to hand-carry chargeable luggage on board. Please purchase a carry-on luggage ticket at the ticket window before boarding the ship. Unless a carry-on luggage ticket is attached to your chargeable luggage, you may be asked to pay a luggage charge when you disembark.

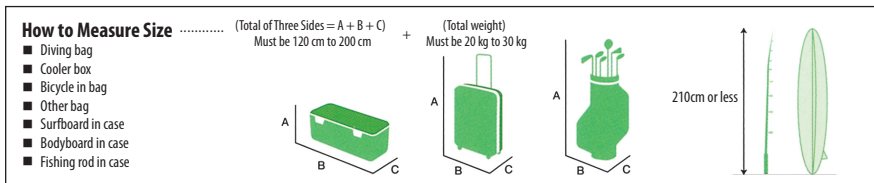

● A bicycle in a bicycle bag that can be carried on board should be one that is contained entirely in a dedicated bag with one or both of the wheels removed. Regardless of whether or not a bicycle is contained in a bag, a bicycle with both wheels mounted or a bicycle whose component is exposed from the bag such as a seat, handlebar, stem or tire cannot be carried onto a jet ferry or a large passenger ship. Please deposit a bicycle in such condition as checked luggage on board a large passenger ship (1,500 yen per bicycle one way).

Jet Ferry

- The jet ferry cruises on the water surface and is structurally designed to be light and compact. Please note that large and heavy carry-on luggage exceeding the limits cannot be carried on board. ● Only up to two pieces of carry-on luggage per person can be carried on board. Personal belongings such as a handbag and umbrella are not included in carry-on luggage. The limits for dimensions and weight of carry-on luggage are shown in the table on the right. ● Checked luggage would not be accepted for a high-speed jet ferry.
