## Carry-On Luggage Carried on Board (Limits for Carrying on Board) - Jet Ferries and Large Passenger Ships

### ○ Limits and Charges for Carry-On Luggage on Board

A "carry-on luggage ticket" is needed to hand-carry chargeable luggage on board. Please purchase a carry-on luggage ticket at the ticket window before boarding the ship. Unless a carry-on luggage ticket is attached to your chargeable luggage, you may be asked to pay a luggage charge when you disembark.

Always put the surfboard, bodyboard, and fishing rod in case you carry them.

● A bicycle in a bicycle bag that can be carried on board should be one that is contained entirely in a dedicated bag with one or both of the wheels removed. Regardless of whether or not a bicycle is contained in a bag, a bicycle with both wheels mounted or a bicycle whose component is exposed from the bag such as a seat, handlebar, stem or tire cannot be carried onto a jet ferry or a large passenger ship. Please deposit a bicycle in such condition as checked luggage on board a large passenger ship (1,800 yen per bicycle one way).

● Passengers boarding with pets: Please put the pet in a "cage" or a basket 45 cm or less on each side (Additional charge). The cage must be placed in the designated area guided by the crew. When making your reservation, please inform the Customer Service Center that you will be bringing a pet. Additionally, for bookings on large passenger ships, you will need to submit a "Pet Room Utilization Application Form." For more details, please contact us.

### ● Carry-on luggage that cannot be carried on board (Luggage that cannot be accepted as checked luggage)

○ Mobile electronic devices with lithium ion (metal) battery: You are allowed to bring with you a PC, mobile phones, cameras, and batteries if they are within the regulated size and weight.

\*Regarding the bringing of hunting rifles and air guns: Only customers who hold a firearm possession permit issued by the Public Safety Commission are allowed to bring these items on board. Before boarding, you must present your permit at the boarding counter.

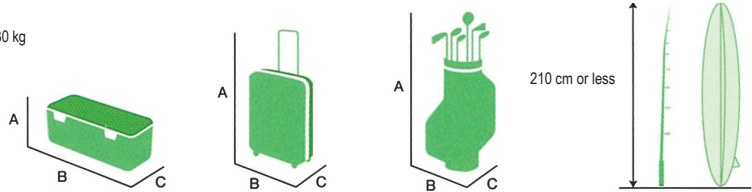

○ Stowage on ship:

- Passengers are responsible for on-board stowage of their carry-on luggage. Please place surfboards and other chargeable carry-on luggage in spaces designated by crew staff.
- Please refrain from placing bags with casters on a carpet or on passenger seats.

○ Compensation for Damage: Only when negligence on the part of Tokai Kisen or its employees is proven, Tokai Kisen will assume responsibility for compensating for damages caused by loss, damage or other flaw inflicted on carry-on luggage or other article stowed by the passengers.

How to Measure Size ..... (Total of Three Sides = A + B + C) + (Total weight)
