Carry-On Luggage Carried on Board (Limits for Carrying on Board) - Jet Ferries and Large Passenger Ships

Limits and Charges for Carry-On Luggage on Board

A “carry-on luggage ticket” is needed to hand-carry chargeable luggage on board. Please purchase a carry-on luggage ticket at the ticket window before boarding the ship. Unless a carry-on luggage ticket is attached to your chargeable luggage, you may be asked to pay a luggage charge when you disembark.

Always put the surfboard, bodyboard, and fishing rod in case you carry them.

A bicycle in a bicycle bag that can be carried on board should be one that is contained entirely in a dedicated bag with one or both of the wheels removed. Regardless of whether or not a bicycle is contained in a bag, a bicycle with both wheels mounted or a bicycle whose component is exposed from the bag such as a seat, handlebar, stem or tire cannot be carried onto a jet ferry or a large passenger ship. Please deposit a bicycle in such condition as checked luggage on board a large passenger ship (1,800 yen per bicycle one way).

Carry-on luggage that cannot be carried on board (Luggage that cannot be accepted as checked luggage)

- Mobile electronic devices with lithium ion (metal) battery:
 - Because improper handling can cause ignition or smoke, please keep portable battery packs within your sight at all times. (They cannot be checked in as baggage.)
 - You are allowed to bring with you a PC, mobile phones, cameras, and batteries if they are within the regulated size and weight.
- Regarding the bringing of hunting rifles and air guns: Only customers who hold a firearm possession permit issued by the Public Safety Commission are allowed to bring these items on board. Before boarding, you must present your permit at the boarding counter.
- Stowage on ship:
 - Passengers are responsible for on-board stowage of their carry-on luggage. Please place surfboards and other chargeable carry-on luggage in spaces designated by crew staff.
 - Please refrain from placing bags with casters on a carpet or on passenger seats.
- Fishing or bicycle spikes: Passengers wearing fishing spikes or bicycle cleats are asked not to board, as they may cause injury or damage to the vessel or other passengers.
- Compensation for Damage: Only when negligence on the part of Tokai Kisen or its employees is proven, Tokai Kisen will assume responsibility for compensating for damages caused by loss, damage or other flaw inflicted on carry-on luggage or other article stowed by the passengers.

Only up to two pieces of carry-on luggage per person can be carried on board. Personal belongings such as a handbag and umbrella are not included in carry-on luggage. The limits for dimensions and weight of carry-on luggage are shown in the table on the right. Coolers larger than 30 L are not permitted on board. Checked luggage would not be accepted for a high-speed jet ferry.

Carry-on luggage that Can be Carried on Board

- Personal belongings (free of charge): Handbag, shoulder bag, bag, camera, camera accessories, small backpack, tote bag, umbrella and other personal effects.

Carry-On Luggage Carried on Board (Limits for Carrying on Board) - Jet Ferries and Large Passenger Ships

Limits and Charges for Carry-On Luggage on Board

A "carry-on luggage ticket" is needed to hand-carry chargeable luggage on board. Please purchase a carry-on luggage ticket at the ticket window before boarding the ship. Unless a carry-on luggage ticket is attached to your chargeable luggage, you may be asked to pay a luggage charge when you disembark. Always put the surfboard, bodyboard, and fishing rod in case you carry them.

- A bicycle in a bicycle bag that can be carried on board should be one that is contained entirely in a dedicated bag with one or both of the wheels removed. Regardless of whether or not a bicycle is contained in a bag, a bicycle with both wheels mounted or a bicycle whose component is exposed from the bag such as a seat, handlebar, stem or tire cannot be carried onto a jet ferry or a large passenger ship. Please deposit a bicycle in such condition as checked luggage on board a large passenger ship (1,800 yen per bicycle one way).

Jet Ferry

- The jet ferry cruises on the water surface and is structurally designed to be light and compact. Please note that large and heavy carry-on luggage exceeding the limits cannot be carried on board. ● Only up to two pieces of carry-on luggage per person can be carried on board. Personal belongings such as a handbag and umbrella are not included in carry-on luggage. The limits for dimensions and weight of carry-on luggage are shown in the table on the right. ● Checked luggage would not be accepted for a high-speed jet ferry.
