Carry-on baggage regulations for jet ferries and large passenger ships

Common information for jet ferries and large passenger ships

- Paid luggage cannot be carried on board without a “carry-on luggage ticket.” Make sure to purchase a baggage “carry-on luggage ticket” at the counter before boarding. Note that if there is no “carry-on luggage ticket” on your paid luggage, you may be required to pay a fee at the disembarkation point. Make sure to pack your surfboard, bodyboard, or fishing rods in a case.
- A bicycle packed in a bicycle bag refers to a bicycle that has one or both wheels removed and is stored completely in a dedicated bag. Bicycles with both wheels attached, or with parts such as the saddle, handlebars or tires exposed, cannot be brought onto jet ferries or large passenger ships, regardless of whether or not they are packed in a bag. For bicycles in such conditions, use the checked baggage service on large passenger ships (advance reservation required, 1,800 yen per bicycle, one way).
- Luggage that cannot be brought on board (luggage not accepted as checked luggage)

- Mobile electronic devices with lithium-ion (metal) batteries:
  - Mobile batteries pose a risk of fire or smoke depending on how they are handled, so keep them in sight at all times (they cannot be checked in as luggage).
  - Laptops, mobile phones, cameras, batteries, etc., can be carried on board as long as they are within the specified size and weight limits.
- \* Bringing hunting rifles and air guns on board:  
Only passengers with a firearms possession permit issued by the Public Safety Commission are permitted to bring these on board. Make sure to present your permit at the ticket counter before boarding.
- Storage on board:
  - You are responsible for the safekeeping of any luggage or personal belongings you bring on board. Place any luggage requiring a fee, such as surfboards, in the designated area as instructed by the crew.
  - Do not place bags with wheels on the carpet or seats.
- Fishing and cycling spikes: Do not wear fishing or cycling cleats on board, as this may cause damage to the ship or injury to other passengers.
- Compensation for damages: Tokai Kisen will not be responsible for compensation for any loss, damage, or other loss of luggage or other items stored by passengers unless evidence is provided that it is at fault.

Jet Ferry

- Jet ferries cruise on the water surface, so they are structurally designed to be lightweight and compact. Note that oversized or heavy luggage exceeding the permitted limits cannot be brought on board. ● Up to two pieces of luggage are permitted per person, excluding personal items such as handbags and umbrellas. Size and weight restrictions are as shown in the table on the right. Large cooler boxes exceeding 30 L are not permitted. ● Luggage check-in is not available on jet ferries.
- Carry-on luggage
  - (1) Personal belongings (free of charge): handbags, shoulder bags, bags, cameras, camera accessories, small backpacks, tote bags, umbrellas, etc.
  - (2) Carry-on luggage (restrictions apply based on size and weight): Cooler boxes (under 30 L), diving bags, large backpacks, bicycles in bicycle bags, golf bags, fishing rods, surfboards (excluding longboards), bodyboards, etc.
  - (3) Other items: Dogs marked as guide dogs, hearing dogs and service dogs, and wheelchairs used by passengers can be brought on board free of charge.

Due to limited luggage storage space on board jet ferries, we kindly request your cooperation in using courier services for large luggage or by using the checked luggage service on large passenger ships.

Common information for jet ferries and large passenger ships

- Paid luggage cannot be carried on board without a “carry-on luggage ticket.” Make sure to purchase a baggage “carry-on luggage ticket” at the counter before boarding. Note that if there is no “carry-on luggage ticket” on your paid luggage, you may be required to pay a fee at the disembarkation point. Make sure to pack your surfboard, bodyboard, or fishing rods in a case.
- A bicycle packed in a bicycle bag refers to a bicycle that has one or both wheels removed and is stored completely in a dedicated bag. Bicycles with both wheels attached, or with parts such as the saddle, handlebars or tires exposed, cannot be brought onto jet ferries or large passenger ships, regardless of whether or not they are packed in a bag. For bicycles in such conditions, use the checked baggage service on large passenger ships (advance reservation required, 1,800 yen per bicycle, one way).
- Luggage that cannot be carried by a single person at one time is not permitted on board.
- Luggage that cannot be brought on board (luggage not accepted as checked luggage)

- Mobile electronic devices with lithium-ion (metal) batteries:
  - Mobile batteries pose a risk of fire or smoke depending on how they are handled, so keep them in sight at all times (they cannot be checked in as luggage).
  - Laptops, mobile phones, cameras, batteries, etc., can be carried on board as long as they are within the specified size and weight limits.
- \* Bringing hunting rifles and air guns on board:  
Only passengers with a firearms possession permit issued by the Public Safety Commission are permitted to bring these on board. Make sure to present your permit at the ticket counter before boarding.
- Storage on board:
  - You are responsible for the safekeeping of any luggage or personal belongings you bring on board. Place any luggage requiring a fee, such as surfboards, in the designated area as instructed by the crew.
  - Do not place bags with wheels on the carpet or seats.
- Fishing and cycling spikes: Do not wear fishing or cycling cleats on board, as this may cause damage to the ship or injury to other passengers.
- Compensation for damages: Tokai Kisen will not be responsible for compensation for any loss, damage, or other loss of luggage or other items stored by passengers unless evidence is provided that it is at fault.

Jet Ferry

- Jet ferries cruise on the water surface, so they are structurally designed to be lightweight and compact. Note that oversized or heavy luggage exceeding the permitted limits cannot be brought on board. ● Up to two pieces of luggage are permitted per person, excluding personal items such as handbags and umbrellas. Size and weight restrictions are as shown in the table on the right. Large cooler boxes exceeding 30 L are not permitted. ● Luggage check-in is not available on jet ferries.
- Carry-on luggage
  - (1) Personal belongings (free of charge): handbags, shoulder bags, bags, cameras, camera accessories, small backpacks, tote bags, umbrellas, etc.
  - (2) Carry-on luggage (restrictions apply based on size and weight): Cooler boxes (under 30 L), diving bags, large backpacks, bicycles in bicycle bags, golf bags, fishing rods, surfboards (excluding longboards), bodyboards, etc.
  - (3) Other items: Dogs marked as guide dogs, hearing dogs and service dogs, and wheelchairs used by passengers can be brought on board free of charge.

Due to limited luggage storage space on board jet ferries, we kindly request your cooperation in using courier services for large luggage or by using the checked luggage service on large passenger ships.
